THE SECRETARY OF THE TREASURY
WASHINGTON

Boys and Girls of America:

Here's a way for every one of you
to help your country.

Every time you buy a Savings Stamp
you are helping Uncle Sam to pay for a part
of a gun, plane or ship which your fathers,
brothers or uncles are using for the defense
of our country.

If every one of you forty million
boys and girls would buy at least one ten-cent
Savings Stamp every week, you would be lending
your Uncle Sam two hundred million dollars
every year. Think of all the guns, planes and
ships he could buy with that!

Remember, you can help to "Keep 'em
Flying" by buying a Defense Stamp every week.

Sincerely,

FOR VICTORY
